For Recorder

LARGE DIVIDENDS.

LARGE D IDENDS tell of skilful and capable management on ompany. If the death losses are low, it signifies that been exercised in the selection of applicants. If the expense of man agement is low, it shows that the company is economical and productly managed. If the gate of interest realized on investments is high—and the securities are safe—it means that the Company investor to the polleyholders' money to the greatest advantage.

If you want a policy in a Company that does all of the above, take a policy in the UNION CENTRAL.

The J. W. Clark Real Estate

could not be any serious strike in the hard cont fields. Both sides publicly roclaimed their fears and reemed gloomy enough for outward observation, but it was very plain that each was Jockeying for position and that ach felt reasonably confident an agreement would eventually

reached. The scale committee of the miners held lengthy conference hoday in the Victoria hotel. They prepared their nswer to the refucal of the operators handed them yesterday, in which the wners of the big coal deposits took efuge in the decision of the anthratite coal commission

"I rather think we will show the operators that some of the statenents they reported to boster up their esition are a triffe antiquated by this ime," said N. J. Ferry, member of miners' national board from Hazleton, just before entering the neeting.

It was made plain by the miners hat they take serious issue with the statement of the operators that the margin of profit has been reduced to the danger point by the increased cost of production and that to grant the reases demanded by the men would add \$28,000,000 to their payrolls. The committee had practically complete opies of the payrolls of the coal companies for the fast three years and announced that these payrolls and the raging between the Great Lakes and general expense statements of the coa companies showed sixty per cent.

This and some other important ized. Union Pacific trains due in facts will be called to the attention of the operators when the union com mittee meets here on Friday. It was said by the committee that they believed the negotiations would continue for some time, and that she outcome ere killed, several are missing and must necessurily remain in doubt unhad dozen were wounded today in a til the entire matter in dispute in

Ferry reported to the scale commit tee the results of a tour of observa-News of the accident was brought tion made throughout the hard coal Philadelphia & Reading company is concerned, it is very short of conl. He said at its big storage yards at Abrams, Pa., with a capacity of 480,-000 sors, it has only 75,000 tons on hand; at Schuylkill Haven, Pa., with ingements were perfected today by a storage capacity of 350,000 tons, it United States Atterney Grant Den- has 10,000; at Mahanoy City, with storage room of 200,000 tons, it has

practically none on hand. The Lehigh Valley, which has stor age room at South Plainfield of 750,000 Cleveland where he will take up the tons, he said, has only 70,900 tons there; at Weatherty, Pa., storage room 100,000 tons, it has 10,000, and at Hudsondale, Pa., storage room 200. 000 tons, it has 100,000 tons. The Jersey City Central's great storage yard at Hampton, which holds 450,-900 tons, has 120,000 tons, he said ounced at the war department today and its smaller storage plants are all hat preparations are made to send less than half filled. The Lehigh Coal ne fourth infantry, now in Kansas, & Navigation company, which usuall retains a reserve supply of 300,000 toris at Houghton, has no coal there to prevent violations of the forth- Ferry said that this is a typical comparison of a situation that exists everywhere in the hard coal district.

Revolution Looms. Bangkok, Sam, March 14.—The Discussing the Tarteyolutionary movement directed 190s, the witness said: revolutionary south and the Loatians of the north who have temporarily haid aside their prat, Mrs Mabel. Tuke and Mrs. differences to co-operate against the existing government, loomed up menwere subjected to bitter denunciation are believed to be financed by foreignnatural resource, have agreed on to secure Ray's changes. The witness slaimed he would be more satisfactory fluence with Charles P. Taft. to the English and French commer cial interests than the present occu pant, who, since he succeded the late King Chulalonkorn on December 2 day declaring its abolition would re- last, has adopted an unti-foreign policy which has alienated many Europeans, who, in the past, were responthle for Slam's progress,

It was believed today that the suc cas of the revolutionists is assured and that Vajirayudh will be advised by his closest followers to abdicate and thus prevent great bloodshed.

Anticipates a Big Year.

Chicago, March 14 .- Judge Robert Thicago, for an hour today enroute to New York after an extensive trip of inspection over the Harriman lines, declared that his health was of the y means of electric magnets, was best. He said he had entirely recov-made here this afterneon before fifty ered from a slight indisposition that ered from a slight indisposition that

Judge Lovett expressed himself as in all countries. The car was lifted entirely satisfied with conditions in to clinch his case against the saga y magnetic power and was moved the west. TEA AT ONE DOLLAR A BOTTLE PROVES IT IS TEA! MANY RAVE

Passengers and train crows arrive ing in Chicago from Kansas are tell-ing yarns about their experiences on snow-stalled trains this week. "It's been a great trip and cost the Sante Fe a mint of money," said William Landergan, conductor of one train. "You see, the read paid for all the food. Kansas is a dry state. The water didn't agree with some of the passengers, so when a stranger cane down the car alse with a basketful of bottles he arous-

ed some interest.

"'Want some tea??' he would ask,
with a wink.

"'Sure,' the passengers would answer, and would give a dollar in ex-

"'Don't drink until I get out of "Don't drink until I get out of here," warned the peddler. 'I don't want to get in trouble.'
"All the bottles purchased were tucked out of sight. About fifty-were sold. After the fellow jumped off they were produced. It was tea, all right, nothing else. The mayor was appealed to, and he only laughed."

and others The Toledo Ice Delivery compar Toledo, reduction, \$75,000 to \$35.

Begs Much Pardon,

God and the committee's pardon for doing it. I'm ashamed of it." This was the exclamation of Pay master C, C. Sniften today after h had testified before the house con mittee on expenditures that he but been forced to order Major Beher C Ray over the country to any place he wished to go because of Ray's powerful political pull.

Sniffen said he had been fighting Ray's political influence since 1963 when Senator Mark Hanna wanted to ecure that officer's roturn from the Philippines to attend the convention of the Brotherhood of Railway Train-

Discussing the Taft campaign in

"I was just as good a friend of the secretary of war (Taft) as General Edwards, but I felt that the assist ence of an unreliable army office ould be of little use to a presidentia undidate."

Sniffen declared that Senators Culem, of Illinois; Hemenway, of Indiana, and Hanna, of Ohio, all worked also insisted that Ray possessed in

Political Seruming.

Topeka, Kas. March 14 .-- A hot fight with bitter charges of the use of patronage to influence the naming of delegates to the national convention marked the meeting of the Republican state central committee here this afternoon. It seemed almost a foregone conclusion that the committee would call a state convention to elect delegates to the Chicago con vention and disregard any primary plan.

The Roosevelt supporters declar, that the control of the state commit Lovett, president of the Union Pa- ten passed from their hands to that rific railroad company, stopping in of the Tath forces by virtue of the promises of eleven postmaster ap-

The Taft supporters on the commit tee obtained the proxies of all ab sent members and a big fight ensue over the voting of such proxica.

Makes Harned a Witness.

New York, March 14.-In an effor and farming viewpoint could not be Parsons, the old Wall stret attorney better and he tooks for a big year District Attorney Wise took radica for the western ratiroads. He refused action at their trial this afternoon. In open court he moved for the dismissul of the indictment agains Thomas B. Harned, of iPhiladelphia one of the defendants, and afformer for Adolph Segal, the promoter whose loan of \$1,250,000 made by the sugar trust resulted in the closing of the Pennsylvania Sugar company's big re finery. Attorney Leavitt J. Hunt, for and Wise immediately served Harned make him a witness for the government.

Pref. Primaries Defeated. Lansing, Mich., March 14.-The bal bill providing for a presidential preference primary was defeated when come up for a final vote in the senate this afternoon by a vote of 19 to 12. The bill provided for the immediate effect of a presidential primary.

Clerk's Story Fabricated. Youngstown, O., March 14 .- James itein, a young clerk employed by the Adams Express company here, who early today reported his micress in routing two robbers from the combout, a offices, confessed this afternoon to the police that the story of The East End Maternity Hospital the attempted robbery was of his own day. invention.
